Curriculum Vitae

Research

AOS Metaphysics, Philosophical Logic, Mathematical Logic

AOC Epistemology, Ethics, PPE, Philosophy of Language

Education

- From 2021 PhD Philosophy
University of Southern California
- 2019–21 MSc Logic (Track: Mathematics)
Institute for Logic, Language and Computation (ILLC) at the University of Amsterdam
- 2018–19 MLitt Philosophy (Track: Logic and Metaphysics)
University of St. Andrews and University of Stirling (SASP program)
- 2015–18 BA Philosophy
University of Padua

Bursaries & Awards

- From 2021 Graduate School Fellowship, USC Dornsife
- 2026 University Outstanding Teaching Assistant Award, USC and the Center for Excellence in Teaching

Graduate School Summer Research and Writing Grant, USC
- 2025 Ralph and Francine Flewelling Research Grant, USC
- 2019 Deans' list, University of St Andrews.
- 2018 Swiss Merit Bursary for Italian Incoming Masters Students, University of Italian Switzerland (turned down)

Publications

- Forthcoming Pre-Filtration, Pre-Stable Canonical Rules, and the Kuznetsov-Muravitsky Isomorphism (with Nick Bezhanishvili)
For *The Legacy of A. V. Kuznetsov in Logic, Algebra and Foundations of Mathematics*
- 2026 Blok-Esakia Theorems via Stable Canonical Rules (with Nick Bezhanishvili).
The Journal of Symbolic Logic 91(1): 88–104
- 2022 Debunking Multiform Dimensionality: Many, Tant-PL, & Morpho-syntactic Opacity (with Luis Miguel Toquero Perez)
Proceedings of Semantics and Linguistic Theory 32

Papers in Progress

- Under review The Logic of Quantificationalism, Part 1: Foundations
- Draft Quantificationalism
- Draft The Algebra of Necessities
- Draft A Harris Result for Quantificationalist Free Quantifiers
- Draft The Logic of Quantificationalism, Part 2: Quantificational Support and Metaphysical Predicativity

Conference Presentations

R=refereed, I=invited, (/*)=alternate title

- 2026 *A Harris Result for Quantificationalist Free Quantifiers*
Central APA, Chicago (R) (Poster)
- 2025 *A Harris Result for Quantificationalist Free Quantifiers*
HOMeWork 8, New York University (R)
- Quantificationalism and the Intelligibility of Higher-Order Quantifiers*
Metaphysical Mayhem, Rutgers University (R)
- The Logic of Quantificationalism (/The Logic of Domain Specification)*
Central APA, Online (R)
- 2024 *The Logic of Quantificationalism*
AMAMI Inaugural Workshop, University of Eastern Piedmont (R)
- 2022 *Translational Embeddings via Stable Canonical Rules* (with Nick Bezhanishvili)
Topology, Algebra and Categories in Logic (TACL), University of Coimbra (R)
- Debunking Multiform Dimensionality: Many, Tant-PL, & Morpho-syntactic Opacity*
(with Luis Miguel Toquero Perez)

32nd Semantics and Linguistic Theory (SALT), El Colegio de Mexico and the Universidad Nacional Autónoma de México (R)

Debunking Multiform Dimensionality: Many, Tant-PL, & Morpho-syntactic Opacity (with Luis Miguel Toquero Perez)

45th Generative Linguistics in the Old World (GLOW), Queen Mary University of London (R)

2021 *Blok-Esakia Theorems via Stable Rules and Formulas*

Workshop DOCToR: Duality, Order, (Co)algebras, Topology, and Related Topics, University of Cagliari and University of Salerno (I)

Permanentist Presentism and the Problem of Cross-temporal Relations

24th Oxford Graduate Philosophy Conference, Oxford University, Online (R)

Qualitative Spaces (/Beyond Universals)

2nd Durham Mind, Language, and Metaphysics Graduate Conference, Durham University, Online (R)

2019 *Superpropositional Fundamentality*

10th Salzburg Conference for Young Analytic Philosophy, University of Salzburg (R)

Monist Language-Fundamentality

4th Belgrade Graduate Conference in Philosophy, University of Belgrade (R)

Varieties of Group Structuralism

6th Biennial ENSO Conference, Tampere University (R)

2018 *Kripke on the Contingent a Priori*

1st Undergraduate Philosophy Conference, University of Italian Switzerland (R)

Primary Instructor Experience

2026 Philosophy of Economic Markets, Money, and Property (USC pre-college)

2025 Philosophy of Economic Markets, Money, and Property (USC pre-college)

2024 Philosophy of Economic Markets, Money, and Property (USC pre-college)

2022 Reasoning and Argument A: the Classical Propositional Calculus (USC 100-level)

Reasoning and Argument B: Elements of Modal and Intuitionistic Logic (USC 100-level)

Teaching Assistant Experience

2025 Law, Society and Politics (Jon Quong, USC 400-level)

2024 Introduction to Logic (Gabriel Uzquiano, USC 200-level)

2023 Ethics of Technology (Jacob Ross & Elisa Warford, USC 200-level)

Service

Refereeing Journal of Logic and Computation, Journal of Philosophical Logic, Studia Logica, USC-UCLA graduate philosophy conference

Admin President, Pegasus (philosophy graduate student organization), USC, Fall 2024 to Spring 2026

Community Chair, Pegasus, USC, Fall 2023 to Spring 2024

Member of the Recruitment Committee, USC, Spring 2024 and Spring 2025

Co-creator of the virtual ILLC building on Gathertown, ILLC, Spring 2021

Member of the Master of Logic COVID-19 Team, ILLC, Spring 2020 to Spring 2021

Reading groups Organizer of the Higher-order Metaphysics Reading Group, USC, from Fall 2024

Organizer of the MLitt Reading Groups, University of St Andrews, Spring 2019

Mentoring Student Mentor for incoming PhD students, USC, Fall 2023 to Spring 2025

Student Mentor for undergraduate students, *Corrupt the Youth* initiative, USC, Fall 2024 to Spring 2026

Student Mentor for incoming master students, ILLC, Fall 2020 to Spring 2021
