Curriculum Vitae

Research

Metaphysics, Philosophical Logic

Mathematical Logic, Epistemology, Philosophy, Politics and Economics (PPE), Ethics, Philosophy of Language, Formal Semantics

Education

PhD Philosophy
University of Southern California

MS Logic (Track: Mathematics)
Institute for Logic, Language and Computation (ILLC) at the University of Amsterdam

MLitt Philosophy (Track: Logic and Metaphysics)
University of St. Andrews and University of Stirling (SASP program)

BA Philosophy
University of Padua

Bursaries & Awards

From 2021 Graduate School Fellowship, USC Dornsife

2026 University Outstanding Teaching Assistant Award, USC and the Center for Excellence in Teaching

Graduate School Summer Research and Writing Grant, USC

2025 Ralph and Francine Flewelling Research Grant, USC

2019 Deans' list, University of St Andrews.

Swiss Merit Bursary for Italian Incoming Masters Students, University of Italian Switzerland (turned down)

Publications

Pre-Filtration, Pre-Stable Canonical Rules, and the Kuznetsov-Mordukhai-Somorphism (with Nick Bezhanishvili)

For *The Legacy of A. V. Kuznetsov in Logic, Algebra and Foundations of Mathematics*

Blok-Esakia Theorems via Stable Canonical Rules (with Nick Bezhanishvili).

The Journal of Symbolic Logic

Debunking Multiform Dimensionality: Many, Tant-PL, & Morpho-syntactic Opacity (with Luis Miguel Toquero Perez)

Proceedings of Semantics and Linguistic Theory 32

Papers in Progress

The Logic of Quantificationalism, Part 1: Foundations

Quantificationalism

The Algebra of Necessities

A Harris Result for Quantificationalist Free Quantifiers

The Logic of Quantificationalism, Part 2: Quantificational Support and Metaphysical Predicativity

Conference Presentations

R=refereed, I=invited, (/*)=alternate title

2026 *A Harris Result for Quantificationalist Free Quantifiers*

Central APA, Chicago (R) (Poster)

2025 *A Harris Result for Quantificationalist Free Quantifiers*

HOMeWork 8, New York University (R)

Quantificationalism and the Intelligibility of Higher-Order Quantifiers

Metaphysical Mayhem, Rutgers University (R)

The Logic of Quantificationalism (/The Logic of Domain Specification)

Central APA, Online (R)

The Logic of Quantificationalism

AMAMI Inaugural Workshop, University of Eastern Piedmont (R)

Translational Embeddings via Stable Canonical Rules (with Nick Bezhanishvili)

Topology, Algebra and Categories in Logic (TACL), University of Coimbra (R)

Debunking Multiform Dimensionality: Many, Tant-PL, & Morpho-syntactic Opacity

(with Luis Miguel Toquero Perez)

32nd Semantics and Linguistic Theory (SALT), El Colegio de Mexico and the Universidad Nacional Autónoma de México (R)

Debunking Multiform Dimensionality: Many, Tant-PL, & Morpho-syntactic Opacity
(with Luis Miguel Toquero Perez)
45th Generative Linguistics in the Old World (GLOW), Queen Mary University of London (R)

- 2021
- Blok-Esakia Theorems via Stable Rules and Formulas*
Workshop DOCToR: Duality, Order, (Co)algebras, Topology, and Related Topics, University of Cagliari and University of Salerno (I)

Permanentist Presentism and the Problem of Cross-temporal Relations
24th Oxford Graduate Philosophy Conference, Oxford University, Online (R)

Qualitative Spaces (/Beyond Universals)
2nd Durham Mind, Language, and Metaphysics Graduate Conference, Durham University, Online (R)

Superpropositionality and Fundamentalality
10th Salzburg Conference for Young Analytic Philosophy, University of Salzburg (R)

Monist Language-Fundamentality
4th Belgrade Graduate Conference in Philosophy, University of Belgrade (R)

Varieties of Group Structuralism
6th Biennial ENSO Conference, Tampere University (R)

Kripke on the Coherent a Priori
1st Undergraduate Philosophy Conference, University of Italian Switzerland (R)

Primary Instructor Experience

- 2026
- Philosophy of Economic Markets, Money, and Property (USC pre-college)

Philosophy of Economic Markets, Money, and Property (USC pre-college)

Philosophy of Economic Markets, Money, and Property (USC pre-college)

Reasoning and Argument A: the Classical Propositional Calculus (USC 100-level)

Reasoning and Argument B: Elements of Modal and Intuitionistic Logic (USC 100-level)

Teaching Assistant Experience

- Law, Society and Politics (Jon Quong, USC 400-level)

Introduction to Logic (Gabriel Uzquiano, USC 200-level)
- 2025
- 2024

Ethics of Technology (Jacob Ross & Elisa Warford, USC 200-level)

2023

Service

Journal of Logic and Computation, Journal of Philosophical Logic, Studia Logica, USC-UCLA graduate philosophy conference

Refereeing

President, Pegasus (philosophy graduate student organization), USC, Fall 2024 to Spring 2026

Community Chair, Pegasus, USC, Fall 2023 to Spring 2024

Member of the Recruitment Committee, USC, Spring 2024 and Spring 2025

Co-creator of the virtual ILLC building on Gathertown, ILLC, Spring 2021

Member of the Master of Logic COVID-19 Team, ILLC, Spring 2020 to Spring 2021

Organizer of the Higher-order Logic Physics Reading Group, USC, from Fall 2024

Organizer of the MLitt Reading Groups, University of St Andrews, Spring 2019

Student Mentor for incoming PhD students, USC, Fall 2023 to Spring 2025

Ment

Student Mentor for undergraduate students, *Corrupt the Youth* initiative, USC, Fall 2024 to Spring 2026

Student Mentor for incoming master students, ILLC, Fall 2020 to Spring 2021
